

THE OMEGA UPDATE: BUILT WITH TRUST

MARCH 2025

Celebrating

50 YEARS OF BUILDING TRUST

We are pleased to introduce The Omega Report, our quarterly update featuring company news, project highlights, and industry insights. As part of this initiative, we are also launching a series of vidcasts that showcase our expertise, culture, and the dedicated professionals who drive our success. These vidcasts will provide an inside look at Omega Construction, offering a deeper understanding of what distinguishes us in the industry.

Since our founding in 1975, Omega Construction has evolved from a regional contractor into a trusted leader in managing complex, high-profile projects across multiple sectors. Our diverse portfolio includes hospitality, education, retail, healthcare, and commercial developments, each demonstrating our commitment to quality, innovation, and adaptability. Stay connected as we share more about our team, values, and the impactful projects we bring to life.

In celebration of our half-century in business, we've revisited some of our greatest milestones as a company. Click on the "Building a Legacy of Trust" image to view our timeline and see how we've built trust since 1975.

A Conversation With Paul

Join Paul Covington, along with President & CEO Barry Hennings and CFO Greg Marshall, as they share the story of Omega's 50-year journey. Don't miss this look at our history and the values that have shaped who we are today!

Paul Covington
Founder of Omega Construction

HUMAN RESOURCES

FIELD STAFF APPRECIATION DAYS:

HONORING OUR HARDWORKING TEAMS

We recognize that our field teams are the backbone of our projects. Your hard work, dedication, and expertise are what bring our projects to life, ensuring that we deliver quality and excellence every day. To show our appreciation, we are excited to announce Field Staff Appreciation Days!

This year, we will be hosting an appreciation event in each of our office regions, giving us the opportunity to personally thank our field staff for their contributions. These events will be a time to connect, celebrate, and recognize the essential role that our field teams play in the success of our projects and the overall success of Omega.

Members of our HR team and executive leadership will be present at each event to express their gratitude and highlight the impact that our field teams have on building trust, fostering collaboration, and driving Omega forward.

More details to come with dates and details for your region's event! We look forward to celebrating with you and showing our appreciation for the incredible work you do.

Thank you for all that you do—your dedication does not go unnoticed!
